**UPSTATE SOUTH CAROLINA FARM SAFETY DAY**  
**SEPTEMBER 17, 2011 \* 9:00 AM – 2:30 PM**  
**Pickens County Career & Technology Center**  
**Liberty, SC**  
**Registration begins at 8:30AM**

July 11, 2011

Thank you for your concern and interest in keeping children associated with farming safe and free from injury on our farms. I know that you are well aware of the many dangers that exist on many farms and farmsteads. We will have an exciting program that will engage your child, ages 4 – 14, in many activities relating to his/her safety and well being around the farm, farm animals and equipment. If one injury is prevented we have had a worthwhile event. The event will be held at the Pickens County Career & Technology Center, 990 Chastain Rd., Liberty, SC.

In order for us to plan for the event, please pre-register your child by **September 13th**. There is a \$5 per child registration fee to help cover the costs of lunch and other supplies. Registration received after September 13<sup>th</sup> is \$10. Please complete a consent form for each child attending and mail with the \$5 fee to Nancy McCannon at the address below. Checks should be payable to Anderson County Farm Safety Fund. Your child will receive a T-shirt as part of the registration and will be asked to wear it during the day's activities. Please indicate the appropriate size T-shirt for each child on their form. If you prefer, consent forms and registration fees may be dropped off at Pickens County Career & Technology Center or Pendleton High School Agriculture Departments.

From past experiences, I know that this will be a very valuable day for your child and for your entire family. I am always amazed by how much the children teach Mom, Dad and Grandparents following these safety days. If you have any questions regarding this event please contact Steve McCannon (864) 505-4069 or by email at [stevenmccannon@picken.k12.sc.us](mailto:stevenmccannon@picken.k12.sc.us). I am very excited about this event and am looking forward to a very dynamic and engaging safety day. **PLEASE NOTE THE CHANGE OF LOCATION TO THE NEW PICKENS COUNTY CAREER & TECHNOLOGY CENTER.**

Additional forms may be downloaded from [www.cedarridgefarm.com](http://www.cedarridgefarm.com).

Sincerely,  
Steve McCannon  
Safety Day Coordinator

**Please mail consent forms with registration fees to:**
